*MAIN IDEA*

## **LIVING A SUPERNATURAL LIFE**

EXCEEDING EXPECTATIONS BY DOING IMPOSSIBLE THINGS

*Matthew 5:43-48 | 1 Corinthians 13 | Galatians 5:19-26*

---

### **KEY THOUGHTS**

- Too often we relegate the supernatural life to healing, miracles and prophecy, but according to Jesus in Matthew 7:22-23 it is much deeper than that. Perhaps it
  - is doing hard or impossible things by the power of the Spirit to demonstrate Jesus' nature to the world around us.
  - Loving your friends is natural - loving your enemies is supernatural
  - The Holy Spirit empowers us to live a supernatural life.
  - Super =
    - Above and beyond the normal
    - To an extreme degree
    - Having e capacity or influence than another of its kind
    - Exceeding beyond the boundaries of what is considered normal
  - Supernatural =
    - Attributed to some force beyond scientific understanding or the laws of nature.
    - Unnaturally or extraordinarily great.
  - Doing naturally impossible things requires trust in an all-powerful God. Ephesians 3:19-20
  - God wants ordinary people to do extraordinary things for His glory.
- 

### **DISCUSSION QUESTIONS**

1. What could it look like for us to live a “supernatural” life?
2. What are some things Jesus is asking you to do that seem impossible?
  - If we are not attempting the impossible, we are merely living natural lives doing what we can accomplish in our own strength.

3. What hinders us from living a “supernatural” life?
  4. If you were the only Christian in your workplace or in our city, and it was your responsibility to introduce them to Jesus, what would you do?
